Boys, Learn a Trade

Next month many thousand boys will graduate and finish their school life, and begin the real battle, and doubtless many of them are planning for the future. If the advice of those whom years of experience have taught, counts for anything, we would advise everyone of them possible to learn a trade. The professions are all right, but crowded now with clientless lawyers and patientless physicians, while a good tradesman is seldom idle, and there is room to advance in all branches. The war has opened many fields, electricity, aviation, mechanics and engineering from mines to marine, all furnish brilliant fields for the brainy boy, as well as the old reliable building trades, a knowledge of which is necessary for every contractor. Of course, the beginner in any of these fields has no "soft snap," and the white shirt lover must make up his mind to don the overalls. The idle men today are those who have no trades and are unskilled, and so it will always be. The laborious work must depend always on this element who would not take time to learn a trade, and many a boy who scorned the trade in his youth because of it's steady work, is now chief engineer of a pick and a shovel, and always will hold down that position. Learn a trade, even if your financial condition now does not demand that you must work at it. It will cost nothing to carry it, and many a failure in business life has been made a success by going back to the trade.

GOOD EYESIGHT

Is nature's greatest gift to mankind Even though a hand or foot be missing, a man may still succeed in his calling, but brave indeed is he who persists after losing the sense of sight.

This precious gift of good vision should not be allowed to become impaired, either through misuse or neglect. If you have the slightest cause to suspect that your eyesight may be defective you should have an authoritive examination of your eyes made at once.

At the Englewood Presbyterian Church: at the morning service at 10:30 Dr. Robinson will speak on "The High Cost of Building Operations." Material is expensive and labor comes high. Many expensive edifices have been built during the last half century. The German Empire is one. It has proved an awfully costly structure. A curse was pronounced upon whoever should rebuild ancient Jericho after it had been destroyed for its wickedness. Hiel, the Bethelite, however, did reconstruct the town or its walls. He laid the foundation at the cost of his first born, and set up the gates in the death of his youngest son. It is terrible to build in defiance of God's regulations.

Ogden Park News

Ladies' Band Concert This Sunday

The park has fortunately secured the Holton's Chicago Y. W. C. A. Band for the Sunday afternoon concert this week. The band is composed of sixty instruments and is conducted by Mr. Edward F. Mumm of the Holton's Band Instrument Co., and although less than a year old, has already made a reputation through its concerts. There are few bands of its size composed entirely of women musicians, so that it is a treat to see as well as to hear this talented aggregation. Two soloists will assist in the concert on May 18th at 3 P. M.

Miss Soares Tells of War Experiences

To hear the fresh and vivid experiences of a Y. M. C. A. entertainer recently returned from France was the treat of the Ogden Park Community Club (First christened the "One Hundred Club") at its meeting on Friday, May 9th, at the Ogden Park Field House. Sixty members of this newly organized club were present for the treat from Miss Soares and other features of the program.

Club Rooms Popular At Ogden Park

Lodges lead the list as users of the Club room and hall at the park. W. C. O. F., Woodmen, L. C. B. A., Royal Neighbors, O. E. S., Ladies of Isabel, Ben Hur, C. U. B. L., and Maccabees appear on the schedules for May. Scouts come next, with four troops and a bi-weekly Court of Honor. There are three "Athletic clubs" and three musical organizations meeting regularly at the park, while two or three dozen other groups, either regular or temporary, find it convenient to use the park at some time during an ordinary month. After all, the fact that the public uses the parks, is the best proof of their appreciation, although not infrequently we hear real spoken expression of it.

Outdoor Gyms Crowded Again

The good weather has filled up the outdoor gymnasiums on both the men's and the women's sides. Two parties last week closed the indoor season for Miss Karstens, and Mr. Baron, on the men's side, has plenty of athletic material to develop in the large outdoor playground.

INVEST YOUR MONEY WISELY

6% The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.

Send for our Illustrated Booklet describing these safe investments.

Of Course We Are All Honest, But—?

It is our rule to insist upon payment in advance of all advertisements in our classified columns, but personal appeals by telephone and mail, innumerable and very plausible excuses have caused us to violate it, and since the first of the year we find just $64.35 due us from these friends who "will send the money right away." We have been to the expense of bookkeeping amounts from 25c to $1.50, have had to make entries, confused our system, and suffered this loss, just to be "a good fellow." We cannot afford to keep books in this department and henceforth this rule will be enforced indiscriminately, and in the meantime if any who know they owe us these small amounts feel like mailing it to us, we are in a receptive mood right now.

Friday, May 16th, and Saturday, May 17th, the screen's most popular star, Charles Ray, in another country boy role—different, humorous and human, "Greased Lightning," a new corking 40-horse power rural drama. The buggy riding days had passed, so Charles Ray simply had to have a flivver to keep somebody else from stealing his girl. Added attraction Friday, a good comedy and weekly. Added on Saturday, Mutt and Jeff, and Burton Holmes.

Sunday, May 18th, one day only, the winsome, magnetic star, Lila Lee, in "Rustling a Bride." "Member at school when you wrote your name in your books? Such a very small thing as that started the love affair between McCredie of Coyote Junction, and Emily, who lived with her aged grandmother in the Far East and longed for romance. Also a brand new L-KO comedy.

Monday and Tuesday, May 19th and 20th, Theda Bara, in "The Siren's Song," in which the "Devil" plays an important, though an invisible part.

Wednesday and Thursday, May 21 and 22nd, the most artistic actor in pictures, Rupert Julian, in the 7-reel master feature, "The Fire Flingers." The interest that always attaches to a situation in which a woman accepts as her husband another man who has succeeded in impersonating him. This situation was responsible for the immense success of "The Masquerader," both as a novel and as a play. It enters logically into the story of "The Fire Flingers."

May 30, 31, June 1, Mary Pickford, in "Daddy Long Legs." Coming Alice Brady, in "Red Head." Taylor Holmes, in "Taxi."

NATIONAL THEATRE

"The Virgin Widow," the exciting drama of the smart set will be seen for the first time in this city at the National week of May 18. When the Unity Play Company, who won fame and fortune by sponsoring "The Unmarried Mother" first staged "The Virgin Widow" in New York, it immediately "caught on" and achieved such widespread popularity that the play established a new record for New York City by remaining thirty-one weeks in that city. The play is in four acts and written by Miss Virginia Perry. The story is of relations between a woman and two men, notable in the metropolitan, social and financial world and progresses from one exciting episode to another, until a most unexpected culmination is reached. "The Virgin Widow" is one of the rare style of plays of which the climax cannot be foretold, for half the enjoyment arises from the gasp of surprise which is evoked when the truth is revealed.

SULLIVAN'S SENSE AND NONSENSE

Grandfather reached a ripe old age
And never thought of germs,
He never scanned the printed page
And puzzled over terms
The learned bygienists use
To fill our souls with fear
And keep us shaking in our shoes,
Lest dread disease draw near.
Grandfather smoked a filthy pipe
And liked corn liquor, too;
Of plug tobacco, rich and ripe,
Would often take a chew,
And yet he kept his health, somehow,
And died at 95,
If mortals had such habits now
They never could survive.

We have the shoe shiner who "Shines shoes inside" just a few doors from us.

Casey says "A woman is as proud iv her schmall fate, as a mon is iv his big head."

Casey says "Ut is awl roight whin Fortune smiles at ye, boot it is terrible whin she gives ye the laugh."

You should be able to borrow the new neighbors piano or automobile by this time, nothing like cultivating a new acquaintance.

Out on 111th St. and Vincennes Ave. I saw a sign "Dogs eggs for sail heir," but the curios proved to be ducks eggs, and the seller was simply using phonetic spelling or attempting it.

It is well to begin tapering off right now, as Uncle Sam seems determined to enforce the law so closely that cider or even a juicy apple will be taboo after July 1st.

Speaking of bad luck. Roy Baxter was hit on the head by the horse shoe he had nailed over the door for good luck. However, the shoe hit Roy on the cheek, and was badly dented, the shoe not the cheek.

Englewood Commandery K. T. Minstrels

This has been a gala week in the fun and frolic of the annual minstrel show week of the drill corp of Englewood Commandery Knights Templar which opened last night and will be continued tonight and Saturday night. The show is even better than any preceding it, and that is saying much. Captain Ben Wilson is the director and he has as assistants all the live wires of the corp, and that means a real live show that is so funny it is recommended as a health measure. The proceeds will be devoted to sending the drill corps to Philadelphia September 1st to maintain the championship of the United States which they now hold. As a matter of local pride as well as for a night of hilarious fun and amusement, we recommend every one that can to see the big show. Go early if you want a good seat for the S. R. O. is out nightly.

Dr. White Will Speak on "The Peace Treaty"

This simple announcement means so much to Englewood people who know Dr. White that it would be sufficient to fill the large auditorium of the People's Liberal church next Sunday morning, even if we said no more. Dr. White is probably one of the best posted men in America on the subject of his lecture. He has been abroad, has talked with the makers of this tentative treaty, he knows all of the countries, has traveled and talked in them both before and since the war, so he knows the situation thoroughly, and his keen insight into human and national affairs, with his wonderful gift of eloquence is sure to attract those who desire to learn more of this most important subject of the day. There will be no evening services at Dr. White's church Sunday, but all of the many friends will be cordially welcome in the morning, and we advise everyone that possibly can to go and hear this most interesting talk.

A Community Rally

A meeting to further a movement to make this year's Fourth of July celebration at Hamilton Park a "Welcome Home" to the boys, will be held at the field house on the evening of Tuesday, May 20, at eight o'clock. There will be a program of speeches, musical numbers and other entertaining features. Citizens of the community are urged to attend.

Dr. Gunsaulus at the Englewood Sunday Eve. Club

As the season draws to a close, it looks as if the Englewood Sunday Evening Club program committee were holding their very best programs to the last month, and this week they announce for next Sunday evening Dr. Frank W. Gunsaulus, the noted lecturer and pulpit orator, who will speak on "Present Aspect of the Great War." Dr. Gunsaulus is so well known to Englewood people that we almost may claim him as one of ourselves. He has never been known to treat any subject uninterestingly, and with such a one as he has chosen for next Sunday, what may we not expect? There has never been so critical a period in our nation's history as the present, even in the midst of the horrible strife, we were confident of ultimate victory, but now as diplomacy is called upon to settle the fruits of our glorious victory, we are all interested in knowing how it may best be done, to carry out our American principles and save all humanity from a repetition of the sacrifices the entire world has been called to make in this last struggle. Dr. Gunsaulus is an authority on international, as well as national affairs, a deep student, who in addition to his great ability as an orator, brings his years of experience to bear on what to others almost seems chaos, and everyone who can should listen to his words. All are welcome. The club choir, under the direction of Glenwood Preble, will be assisted by Mary Welch, the distinguished contralto, whose sweet voice has charmed us before, and a delightful musical program may be assured.

"Out of Sight, Out of Mind"

To no one does this apply more than to the auto owner. He can see a part of his engine at least and knows more or less about keeping it in good shape, but he don't see the batteries and he gives them no care, hence a whole lot of trouble for himself at most undesirable times. The wise autoist is the one that has his auto battery looked over and gone over frequently, as that is the only way to keep up the power and the punch that keeps the battery at it's best, and makes driving a pleasure. Right here is where you want to form the acquaintance of the Delco Station at 723 W. 66th St., just east of Halsted. They have the Exide battery service, but do all kinds of repairing and recharging at reduced prices. Tel. Wentworth 7642.

E. A. R. THEATRE

Friday, May 16, Fred Stone, the noted stage actor, in The Goat. In this Fred Stone portrays the studio goat. He is the poor simp who gives up a nice union job as a structural iron worker at 25 per to double for a movie queen, who gets cold feet and then for the cold cream matinee idol Marmaduke, and when the scenario called for rough stuff, its some real inside movie stuff with a laugh in every foot. Lyons-Moran comedy, Burton Holmes travelogue and Pathe comedy.

Saturday, May 17, matinee 2 to 6 P. M. Matinee only first and second episode of Red Glove, featuring Marie Walcamp. All day John Barrymore in his greatest play, The Test of Honor, based on E. Phillip Oppenheim's famous novel, the Malefactor. Pathe latest news and 2-reel Billy West comedy.

Sunday and Monday, May 18 and 19, Bille Burke, Chas. Ray and Wm. Desmond in Peggy. The picture achievement that has never been surpassed. As a madcap American girl with a capricious, dazzling, personality and a high-powered automobile, she shocks, terrifies and captivates a Scotch village. You see her in the evening gown of Fifth Avenue, the nightwear of a society bud, and the overalls of a mechanic. Sunday matinee only, Ruth Roland, in The Tiger's Trail, Episode No. 1, and final episode of Pearl White in Lightning Raiders.

Tuesday, May 20, matinee 3:45 p. m. Trinity Episcopal Church benefit day. Harold Lockwood, in Pals First. Pathe News and Burton Holmes Travelogue.

Wednesday, May 21, Shirley Mason, in The Rescuing Angel. She never told a soul that she was married. When her husband heard that she was being courted by other men just a few hours after she had promised to love, honor and obey him, his vivid imagination conjured up all sorts of horrible images. So all sorts of complications arose. Don't miss it. The Last Bottle, 2-reel comedy.

Thursday, May 22, Dorthy Gish, in Peppy Polly. She wanted to go to jail. So she heaved a brick through the nearest jewelry store window, and the police obliged her by giving her three years. This is where the fun starts, and her sweetheart comes in—in jail. There's a story that will worm the cockles of your heart, pathos that will tickle your throat and fun—why! you'll chuckle for a week after you see Peppy Polly. Educational Weekly and a 2-reel comedy, with Billy Parsons.

Friday and Saturday Marguerite Clark, in Let's Elope.

MARLOWE HIPPODROME

Nazimova To Be Seen in "The Red Lantern," Wednesday and Thursday, May 21st and 22nd.

Nazimova, the distinguished Russian star, will be the feature in the powerful Metro super-feature, "The Red Lantern," at the Marlowe Theatre Wednesday and Thursday, May 21st and 22nd. In it she is seen in a dual role, which gives her opportunity for the most powerful characterizations of her brilliant career.

The two roles which she enacts are as widely different as the poles—one is that of the Eurasian girl, Mahlee, and the other Blanche, her English half-sister.

The story tells of the life of this half-cast girl, who, born in a coffin shop in the Chinese quarter of Pekin, is at the death of her grandmother, taken to the Christian Mission and brought up amidst European surroundings. The conflicting blood which surges in her veins causes her passionate restlessness—she feels the lure of China, the mysterious and passionate land of her mother, but the inheritance of her English father, the ideals and intellect of the West, are strong within her and she is like a ball in the hands of Fate—flung from one extreme to the other.

How she becomes the powerful War Maiden of China—the Goddess of the Red Lantern—is shown in this play of remarkable and startling happenings where all the mysticisms and gorgeousness of the vivid East is woven into a powerful and fascinating drama. The lure of the Purple Forbidden City—the customs and superstitions of secret China—the gorgeous pageantry and pomp which surrounds the Orient with golden glamour is shown with a touch of magic which brings romance to life.

HALSTED THEATRE

The legitimate occupation of man's mind—"Woman," Tuesday, May 20th.

In keeping with the well-known reputation of the "Halsted" to give its patrons something worth while, Mr. L. H. Frank is offering one of the best productions of the present day in filmdom on Tuesday next, May 20th, as follows: Maurice Tourneur presents the sensation supreme—the legitimate occupation of man's mind, "Woman," with a cast of 100 notables, including Paul Clerget, the famous French actor, and Fiore Ravalles, the beautiful dancer, and her Bakst Ballet Russe. This accomplished production is unlike any other photoplay which has even been unfolded on the screen. It deals with woman's effect on history, and the idea is conveyed in a series of episodes in which Adam and Eve, Claudius and Messalina, Abelard and Heloise, a Civil War heroine, and the women war workers of the present day are the characters.

EMPRESS THEATRE

While the theatrical world is bubbling over with sensations, the old reliable Empress theatre pursues the even tenor of its way under the excellent management of that veteran of theatricals, Harry Mitchell, and is putting on the finest line of attractions shown outside the loop, as well as most of the really good big fellows who usually play only the larger "loop" houses. The Empress has made a reputation for giving good shows all the time, they do not splurge one week and flash in the pan another, the people know that at any time they visit the Empress, matinee or evening, they are assured of a good show and an enjoyable performance. Manager Mitchell is alert to everything going on in the show line that there is nothing too good for Empress audiences. Their matinees are especially enjoyable for the ladies and children as an effort is made to please them and cater to their patronage, so the Empress has become the real home vaudeville house of the south side. The varied program and the catchy good things always seen there makes the admission price a good investment. In short when you want an afternoon or evening of solid enjoyment with pleasant surroundings, go to the Empress.
